

mymos summer

this summer i was in
marseille, montpellier, zaragoza, am-
sterdam and the rest of the sum-
mer i was in berlin. there was
no real summer in berlin....we got
only a few days summer feeling
the rest was cold and cloudy.....but
much painting...
yeah!

thats berlin city

i painted it on a
nice old industrial
place....

but the police came...
that was a pity...i
was still lucky they
let us go!

also a friend was
filming...

oh!

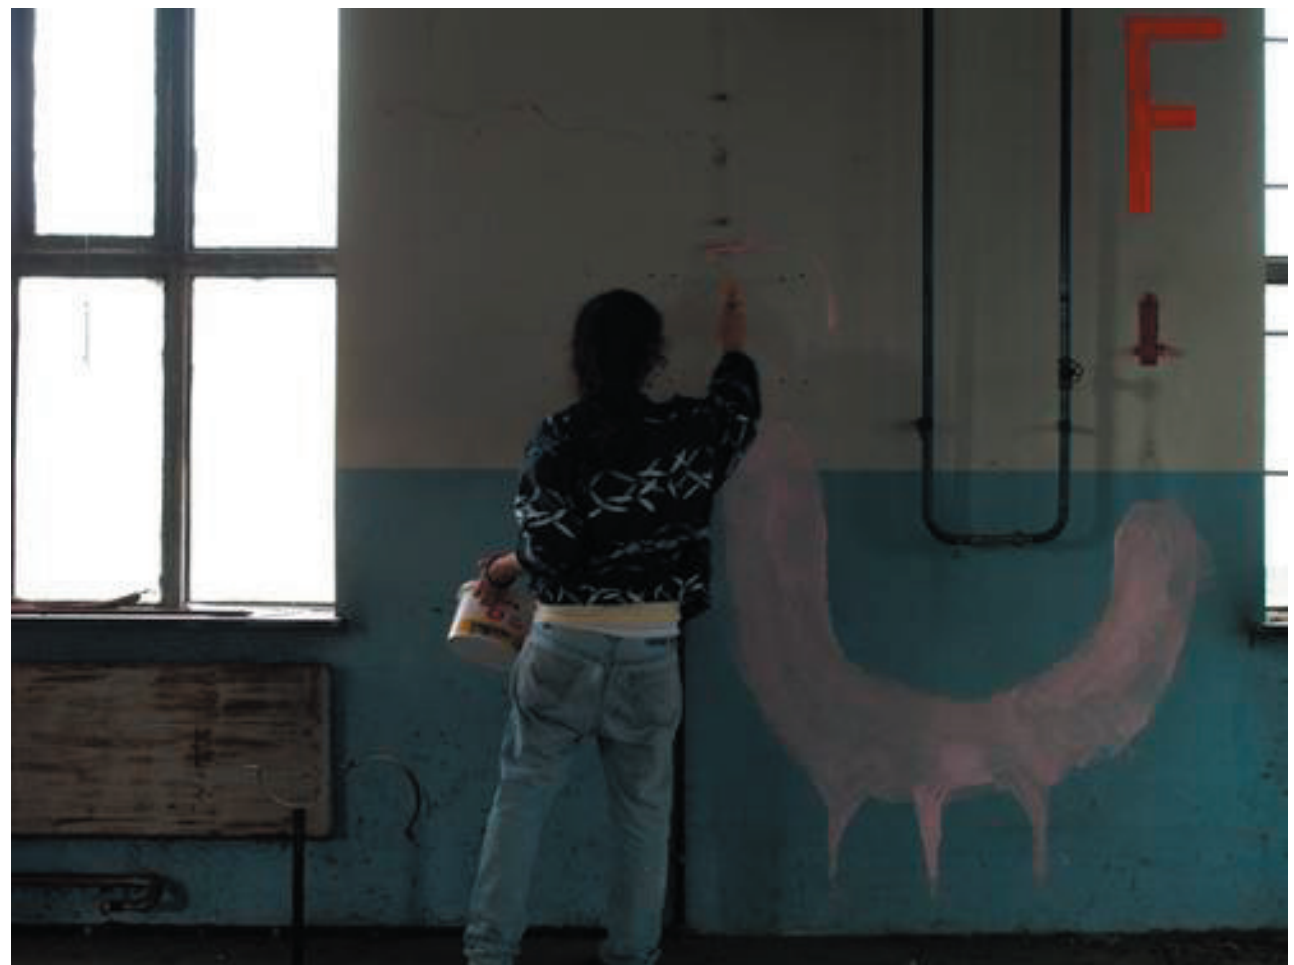

those paintings i did in south of france close to montpellier inside a wine plantation...very romantic spot..i enjoyed being there...and in my home trip i eat the best cheese in my life thats why i dedicated this monster to the fromage!

i did this paintings in an old house they gonna breakdown in the future..they still made some partys there..... thats my dj mo!

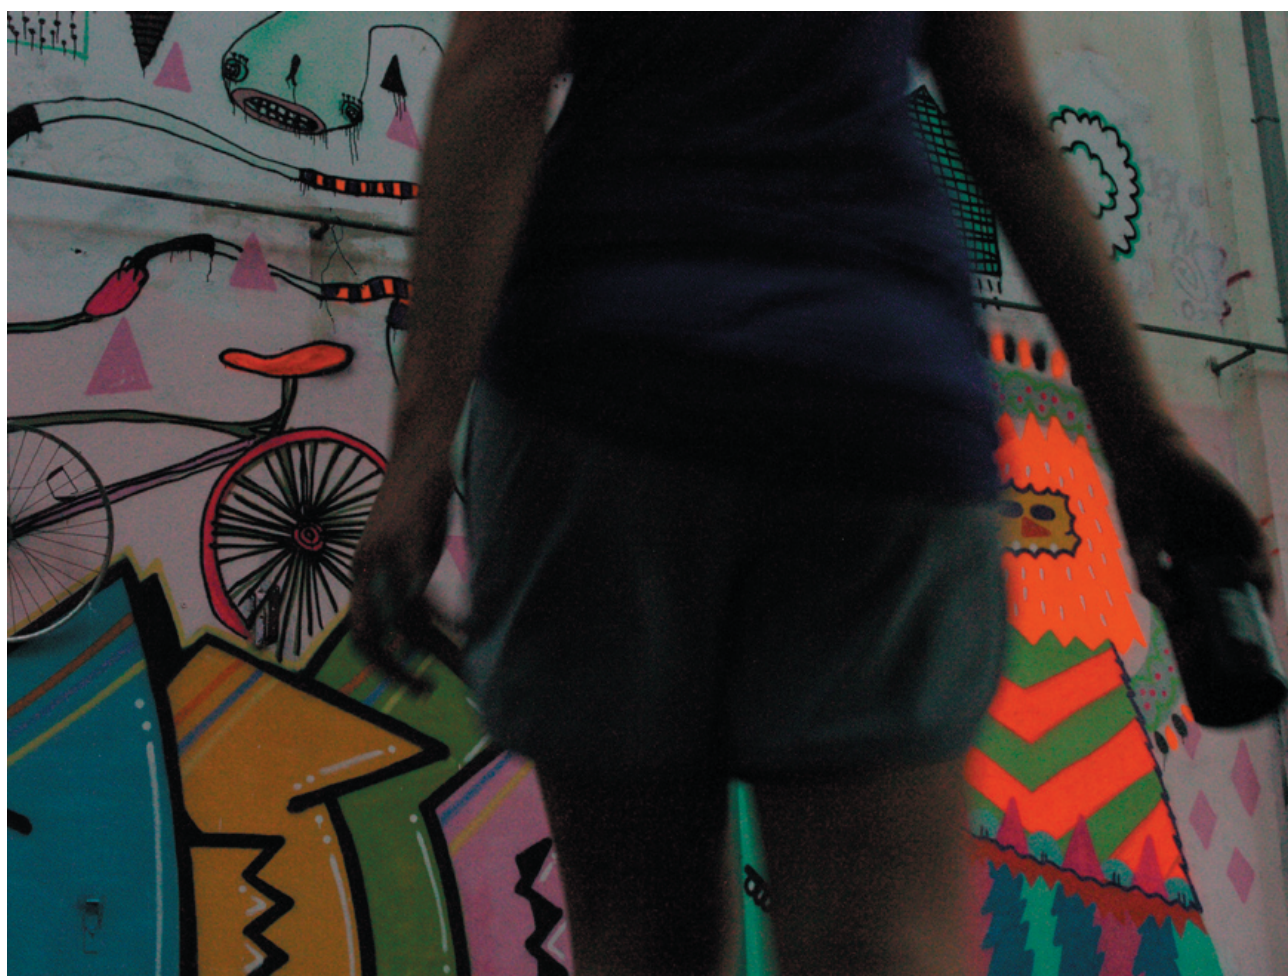

oh this location i love it a lot.....its an old fabric...and soooooooooo big!
i also did my stop motion painting movie in there!

on this day it was super hot in berlin....and full of moskitos...and all the crazy spanish people came this days to berlin.....this is a painting with astre, zosen and mymo

my trip to marseille..... i love
this door.....a lot of trips..
marseille is such a great
city...i have to come back for
sure!

freaky painting...and monsterrrrrr

and this time with sunshine! in berlin.....
and down my dog schila! and me
